

«Информационно-коммуникационные технологии в межкультурной коммуникации»

1. **«Информационно-коммуникационные технологии в межкультурной коммуникации».**

2. Преподаватели: Сизых Людмила Георгиевна, Фадеева Виктория Александровна; техническая поддержка: кандидат физико-математических Корухов Станислав Васильевич.

3. студенты 2-го курса отделения лингвистики и межкультурной коммуникации

4. Цели курса:

- знакомство с особенностями разных культур мира и национальных менталитетов через прямое общение с их представителями;
- преодоление стереотипных представлений о себе и других как представителей разных культур;
- развитие межкультурной, коммуникативной и информационной компетенций, необходимых для профессионалов XXI века.

Задачи курса:

- ознакомление с культурными особенностями стран-партнеров и своей страны;
- сопоставление явлений иностранной культуры с аналогичными или соотносящимися с ними явлениями национальной культуры с целью выявления сходств и различий;
- использование ИКТ (видеоконференции, чаты) для осуществления межкультурного взаимодействия;
- формирование и совершенствование языковых навыков и всех видов речевой деятельности;
- расширение активного и пассивного словарей;

- формирование культуры общения;
- формирование элементов глобального мышления;
- формирование устойчивой мотивации к познавательной деятельности, потребности к использованию иностранного языка для целей подлинного общения;
- формирование навыков работы в группе.

5. Темы для обсуждения:

1. «Образование» (COLLEGE LIFE)

Примерные вопросы для обсуждения:

- What was the most difficult transition for you when coming to college?
- What do you like the most about your College Life? Is there anything that you would like to change? If so, why?
- Can anyone go to college?
- How do people get into college and how much choice do you have when choosing what area of study to pursue?
- Is it possible to change your selected major? If so, how hard is it?
- How much time is spent studying? How much time is spent socializing? What types of things do you do when you are not studying?
- Why do people go/want to go to college? Are there differences in status between those who go to college and those who do not?
- Do you have athletic teams? What are they? Who do they compete with (other Colleges, teams within)?
- How much does it cost to go to college? How is it paid for? Where do you live while in college?
- What sort of extra curricular activities do you have (clubs, organizations, student government)?

2. «Семья и Традиции» (CULTURAL TRADITIONS & FAMILY)

Примерные вопросы для обсуждения:

- What is the typical traditional family structure in your culture?
- What traditional values hold the family together?
- What conflicts occur in the traditional family?
- What do you think will be the typical family structure for your generation?
Will it be different from the traditional structure of your parents and grandparents? If so, what will you change when raising your own family?
What are the causes of the change?
- The cultural patterns of more urban living, more divorce, more cohabitation, and fewer children are common in developed nations around the world.
What events and forces do you think led to these changes? In what ways are they good or bad? How do they affect your family?
- Are children encouraged to become independent and move out on their own? At what age?
- What differences do you see in gender roles in your culture? What similarities do you see? To what extent do you and your family conform to the gender roles common in your culture?
- Is there someone in the family who is considered the “head of the family” and if so, who is it?
- What is the most meaningful tradition in your family? Why is it so meaningful to you?
- Which of these traditions would you consider to be the most popular among people in your culture?
- Are there any particular types of food associated with the holidays that you celebrate?
- Are some traditions being dropped? If so, why? What do you think are the reasons that other traditions are being kept?
- What kinds of changes do you think the modern global influence will have in your culture? Will some new traditions be added? Why?

- What cultural traditions do your grandparents and parents practice when you were growing up?
- What customs and festivals will you celebrate when you have your own family?
- Do you think your children will continue to celebrate the customs and festivals that you practice? If so, why? If not, why?

3. «Смысл жизни» (MEANING OF LIFE)

Примерные вопросы для обсуждения:

- In your culture, what provides a sense of purpose and fulfillment to most people?
- What in your own life brings purpose and fulfillment?
- In the traditional beliefs in your culture, why is humankind on earth? Why do you feel that you are on earth?
- Have the traditional beliefs changed from your grandparent's generation to your own? If so, in what ways have they changed?
- What factors have shaped the traditional meaning of life and how might they change for your children?
- How important is religion to your life and that of your family?
- Do you think that differences in religion is a good thing? Why or why not?

4. «Стереотипы и Предубеждения» (STEREOTYPES & PREJUDICES)

Примерные вопросы для обсуждения:

- How do you think your culture is perceived by the rest of the world?
- What stereotypes of your culture are the most troubling to you? Why?
- What do you feel are the causes that lead to stereotyping and holding a prejudice over a certain group? Where do these feelings and thoughts come from?
- In your own lifetime, what prejudices have you seen change, and in what ways?

- Within your culture, are there different ethnic/cultural groups? How can you tell one group from another? Are certain groups that are stereotyped to engage in certain behaviors, have certain jobs, etc., than others?
- Are stereotypes always bad?
- What kinds of things can be done to help break down prejudices?

6. Продолжительность курса- 1 семестр

7. Язык общения – английский

8. Зачет

Примерные вопросы:

- What do you really like about this culture?
- What really bugs you about this culture?
- How do you like the people in this culture?
- What are their biggest differences from us?
- What can we learn from them?
- What can they learn from us?
- What differences are just too great to bridge?
- Would you like to spend a year there, living among the people? Why?
- Would you consider marrying a person from this culture? Why?
